Learning in a Christian Environment!

**Gethsemane Baptist Child Care and Learning Center
Mission Statement**

It is our intent to provide high quality child care to each individual child in a well maintained, safe, and nurturing environment. Our goal is to teach needed social behaviors and to help each child with the start of their educational process. The Christian principles of the Word of God will be the focal point and used in every area of this ministry. All teaching endeavors will be age appropriate.
